

# Disaster Preparedness Tips

- 1.** Keep all important documents (i.e. marriage license, birth certificates, social security cards, mortgage forms, titles to car, etc.) locked in a fireproof/waterproof safe or safe space.
- 2.** Create an emergency plan (test it) and box. Include a first aid kit, non-perishable food, up-to-date photos, a few days worth of any necessary medications, portable cell phone chargers, flashlights, etc.
- 3.** Water.
